7.1.9: REPORTS OF EVENTS: SENSITIZATION ACTIVITIES TOWARDS CONSTITUTIONAL OBLIGATION- VALUES, RIGHTS, DUTIES AND RESPONSIBILITIES OF CITIZENS.

The students of Jaya College of Arts and Science, across all branches, study the Constitution of India as a compulsory paper in their third year. This course sensitizes students to Constitutional Values and Human Rights. They also write exams based on the syllabus.

Every year, Republic Day is celebrated on January 26th with various activities highlighting the significance of the Indian Constitution. Independence Day is also celebrated annually to honor the struggle for freedom and emphasize the importance of the Indian Constitution and human rights.

The institution takes pride in launching environmental initiatives, such as the plantation program, which goes beyond offering a strong academic foundation. These initiatives aim to shape students into responsible citizens of the country. Additionally, the teaching faculty participated in a two-day online faculty development program on March 1, 2024, to enhance their reading and writing skills. The faculty members also took part in a voter awareness campaign near the Tiruvallur Collectorate office.

Additionally, educational programs on the Indian Constitution and human values are conducted through the NSS Unit to encourage the next generation of leaders to uphold human values and fulfill their constitutional duties.
